HACCP International Pty Ltd certifies the materials listed above as suitable for use in food processing and food handling environments in facilities that operate in accordance with a HACCP based Food Safety Programme.

These materials are to be applied by approved installers, in accordance with the manufacturer's instructions and recommendations.

Licence Commencement	19 September 2019 
Certificate Issue Date	12 September 2019

HACCP International's evaluation and certification is strictly confined to matters of food safety or the operation of a HACCP based food safety programme. Whilst all reasonable care is taken by HACCP International in its evaluation of the product(s) or services(s) described herein, HACCP International does not guarantee that every food safety risk in every application has been identified. No guarantee is offered or implied in the issuing of this statement.

Licence Agreement

National Urethane Industries (Pty) Ltd is licensed to use the HACCP International certification mark, in accordance with HACCP International's Certification Trade Mark Rules and Conditions in Region 3 (Africa & Middle East), Region 4 (Europe) in respect of the products listed above, for a period of 24 months from the licence commencement date. National Urethane Industries (Pty) Ltd is in receipt of the HACCP International Pty Ltd Certification Trade Mark Rules and Conditions v3.0 and agrees to abide by the conditions therein.
